“ *Beverly and family, you all are friends of ours, and as sorrows fills your hearts, our hearts goes out to you and your family. Even through our words can not begin to ease the lost of your Mother and your children's Grandmother, we hope it helps, somehow, to know how much we care.*

May all the wonderful memories of your Mother, and the good times you all spent with her, bring you peace and comfort.

Always remember, your Mother's memories are keepsakes from which you will never part from. God has your Mother in his keeping, but you all have her in your hearts.

We pray that God will wrap his loving arms around you all and give you all comfort and peace only as he can.

Love you all, and remember you all are in our thoughts and prayers during this difficult time.

*With heartfelt condolences,
Bobby and Ann Hayes*
