“ I met Gwen seven years ago when I caught the genealogy bug. It didn't take me long to realize that she was a very special lady. She was “the Dove family historian” and the greatest story teller I ever met. Every one that knew her will agree that no one could tell family stories like Gwen and she had an endless supply of them. I will always be thankful that my interest in genealogy gave me the opportunity to meet this incredible lady. I will miss her. ~ John Dove

“ Troy, Teresa, Everett and Jon. I am so very sorry to hear about Gwen. She was not only my cousin, but also my friend. I will always treasure the time that we spent working on the family history, or as my Mama lovingly put it, "digging up Doves". Gwen loved that. Gwen was a very special person. She loved her family, ALL of her family, and we had a rather large family of Doves. She will always have a special place in my heart. Rest in Peace, my friend. I love you, and I'll see you on the other side, Beth Dove Dotson
