“ I just heard about Hoyt's passing and am so sorry to hear it. I've known Hoyt since we were young guys attending the College Park Presbyterian Church. We both were in high school at GMA and had some great times there. Also, we saw each other on a very few occasions after college and at high school reunions but lost touch, for which I am sorry. He was one of the good guys. RIP.

To the family of Dr. Crump, thank you for sharing him with us in the medical profession. I had the opportunity to first meet Dr. Crump at Ty Cobb Hospital. How he loved to teach us but he loved his family even more. I am thankful for him sharing those tidbits of wisdom with us and will always appreciate every interaction that I had with him as we served together in the healthcare spectrum.

Warmest regards,

Deborah J. Bartlett, RN
