“ *Christi was like our mom at Blazers! Shes been in my life since I was just 14 and that being my first job she taught me to come out of my shell from being so shy. She always made us laugh even if we were having a bad day, she talked to use about anything, she held us while we cried and I couldn't tell you how many times she was my shoulder! She would take me home from work and let me drive lol (scary at 15 lol) but it just won't be the same without and you will be missed dearly! -Grasshopper*
