“ Mike made a lasting impression on me and my family, and I'll never forget him. I have so many sweet memories of him from when I was little. He was always so kind to me and could make anyone laugh, especially with his spot-on Donald Duck impression. Even years later, every time my husband stopped by the hardware store where he worked, he would always ask about me and my children. That meant more than he probably knew. I always enjoyed the times we would run into each other in town and catch up a bit. He was such a genuinely good, funny, and caring man, and I will truly miss him. Sending love and prayers to his family.

I have known Mike since 2nd grade . I could look out of my bedroom window and see his back door across the railroad tracks. We road the same school bus all through elementary school and middle school. Mike was always someone you could call if you needed advice on plumbing or electrical or looking for someone to call to do a job for you. He knew everybody and everybody knew him . I can honestly say that knowing him was a huge blessing for me. He will be missed by a lot of people and his family for sure. Praying for peace and comfort for everyone in his family. 🙏
