“Wow, I have wonderful memories with Mr. Jimmy and the family. I never knew so much about message pigeons or eating great Vinson while being a college student at Emanuel College. He and his wife always knew just how homesick students might be. They provided a great and safe family atmosphere to many through those years that cured all those missing home and shared many great Georgia home cooked meal. Thank you for your sweet, generous and loving mentality, Mr. Jimmy! Keeping your family in my thoughts and prayers as you will be greatly missed! May you be well rewarded in heaven.💕💕
