We knew Pat and Jimmy from camping with Liberty Church group. He and Pat both we always pleasant and friendly. I was most impressed how the always supported their grand children in whatever activity they were in. You could always tell how much they loved their family. He will be greatly missed. It is our prayer that God gives each family member strength and peace in the coming days and years.

“ *Pat, Angy, Sandy and family,
Sorry for your loss. Pat and Jimmy were always in Food Line or Dills when I was. I enjoyed talking with them. He was a patient man and would wait on Pat as we talked. I remember the day I helped him run his food trailer at a car show until Pat got there. He always thanked me for helping him every time he saw me. He and his smiling face will be missed. You all are in my prayers.*

“ Pat, Sandy, Angie, and grandchildren,
When I was young, I'd save my money and go buy 8-track tapes with the latest hits. The tapes were numbered, and I would anxiously await the next release. My daddy would take me, and Mr. Massey would take time from his busy job to talk to Daddy. He also repaired TVs for our family. Steve and I remember buying our first console TV from him. It was a beautiful piece of furniture and a great TV. I am praying for God to comfort each of you. When you are blessed with great love from and for someone, then grief is also stronger. I pray the wonderful memories will help comfort you along with God's love and peace.

“ Jimmy and I spent a lot of years together repairing televisions and appliances. If you drive around the Royston area you will see television antennas still standing that we installed. Jimmy was always fun to work with; I learned a lot from him. Most of all we were friends. He will be missed.
