Quentin was such a kind, gentle soul. Once, when I was recovering from surgery, he brought over flowers and a bear to my parent's home. They were instantly struck by his innate sweetness and good-heartedness. Whenever I had Beth with me and her Dad called, she would glow with excitement and happiness. She talked about their fishing trips and other adventures often. Mostly, she just openly adored her Dad. He hung the Moon. Some of him lives on in Beth and there's no better living testament to one's life than sweet girl. Quentin was such a kind soul. May he rest in peace. Love you, Q.

Quentin, My thoughts and prayers go out to this entire family. You made such an impact on my son Daniel that he went into the volunteer fire department up north. You also made time to pick up both Daniel and Kayla and ride them in the fire trucks at parades! Meant more to them than you will ever know. From them they will always love you. From the bottom of my heart I will love and miss you.. RIP QUENTIN.. SPREAD YOUR WINGS AND FLY...
