“ When we were new in town Daniel helped me get job interviews. Daniel also came and got my dog when he was hit by a car and buried him on their property since I live in a rental and I have never forgotten that act of kindness. This is such a tremendous loss for the community. Not to mention the family memories we had a Slow Water thanks to Daniel hauling us up the river every time!! My sincere condolences to his family.

“ *Dear Danny and Polly, My heart with loads of sympathy go out to you - as I know the pain, grief, sorrow and heartbreaking hurt you are going through. My younger son died at the same age of Daniel - 50. We can't help but wonder "why so young?" But we just have to TRY to find solace from God's word, which, from being the strong Christians that you both are, you know that. I wish I could share and lessen some of your grief, but I can only say that I will CONTINUALLY pray for your family.- and I say this with complete sincerity, if I can ever do anything for you, please call me!*

Danny, Polly and family, you are in my thoughts and prayers. My late husband Ronnie always called Daniel - Dan Dan. He thought a lot of Dan Dan. Ronnie, Jim Walker, and Daniel are now swapping fishing tales and anything else funny that happened on the river when fishing. I know heaven was just made a little sweeter for you all. May God put his arms around you and comfort you during this time. Our love to you all.
