I worked with Woody for all of the 23 years that he was at Roper & Hansen. He was a genuinely good guy. He will be missed by all who knew him. His family will be in my prayers, until you are once again reunited in Heaven.

June , Jessica, Jimmy & all Woody's Family, Our hearts are so sad about James. He has always been a very special family member. His heart was so big. He was always ready to help anyone who needed help. A genuine person who loved talking to James about Granddaddy Woody and the rest of the Woody generation. I will miss the sound of him leaving out for work in the mornings & seeing him come home in the afternoon & waving at him if I was outside. We are praying for all of you. May God hold y'all close now & always. James & Linda
