“ I'm Melinda Jameys older Sister. Where do I even start. I remember Jamey coming home from the hospital I was 3yrs old. I didn't quite understand that he was a REAL BABY! I thought he was my baby doll that I had a brand new toy lol. As we got older Where you seen 1 you usually seen the other if not trust me 1 of us wasn't far away. I was always very protective of Jamey and I'd drag him around with me like he was baby doll. The bond Jamey&I shared only He&I really understood. It didn't matter how long it'd be that we hadn't seen each other or talked to one another we'd always find our way to each other. During the last few months that Jamey was here we talked on the phone if not every single day every other day and multiple times during that day. Jamey always knew that I loved him dearly and would always be there for him to protect him or whatever he needed me to do. I will never forget the first night Jamey called me from the rehab center it was about 2 in the morning and my heart dropped because it was unusual for him to call me at that time of the morning. I answered and Jamey was like what are you doing lol he said I didn't mean to wake you up. And I told him even though he did wake me up that I was already awake. I asked him if he was okay he said yeah I just can't go back to sleep. There was a few seconds of silence and he said Meme can I ask you for a favor. I said of course you can Jamey&I asked him what he needed me to do. He said just talk to me Meme so I can go back to sleep. I said well dang Jamey am I that boring lol. We both laughed and he said no. He said idk Meme there is just something about hearing your voice I feel safe I feel comfort&peace but most of all and his voice broke he said I feel at Home! I was crying by this point. I told him that anytime he couldn't sleep idc what time it was to call me and I'd talk to him until he went back to sleep. And he did just that lol. Hearing him tell me that just made me feel so proud and happy to know that he felt like that with me and that bond between a Brother&Sister was unbreakable no matter the circumstances no matter the distance between us. But most of all it showed me and made me feel just how much Jamey loved me and how important I was to him. I'm so thankful 🙏 that I can say Jamey and I had a bond like no other and that no matter what was going on we would always

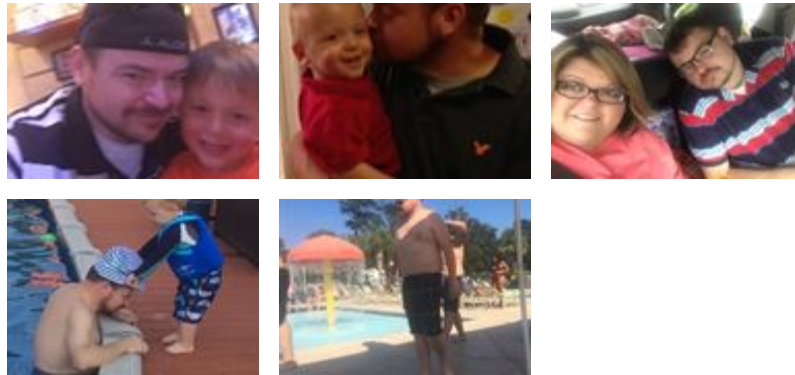

*find each other and it'd be like we've never been apart. Our bond was truly from God and was very special to me as well as Jamey. I was and always will be My Brothers Keeper!! Until we meet again Jamey I love you with every single fiber of my being&I'll be missing you Brother! Watch over us and protect&guide us all in the direction that God has chosen for us and tell Trey how much I love him and miss him. Teach him how to fish and play Baseball but most of Jamey I want you to teach him how to be the kind of man you were and are. Teach him to be humble to be honest and to always love like there's no tomorrow and to NEVER BE AFRAID TO SHOW YOUR FEELINGS AND EMOTIONS! AND THAT GOD AND YOUR FAMILY ARE ABSOLUTELY EVERYTHING YOU NEED!! REST EASY MY BROTHER&ALWAYS KNOW THAT YOU WILL ALWAYS BE IN MY HEART AND I LOVE YOU SO MUCH*
