“ One of the strongest women from a strong generation. There aren't many people like this anymore. She beat liver cancer and when she got pancreatic cancer many years later she said she had asked God to let her live long enough to raise her kids, he had answered this prayer and she wouldn't ask him for anything else. She helped me graduate dental school by driving 2 hours to be my patient when she didn't have to. I'll always remember her kindness and respect her willingness to put herself out there for my sake.

“ To all of Garrett and Janet's family. Ben and I were good friends with your parents "back in the day". Garrett went with us to S.C when we eloped in 1951. So sorry for Janet's passing. Prayers and peace at this time.

“ Aunt Janet will forever be in our hearts. She will be missed. She will be remembered.  
But for most, she will continued to be loved.

“ Aunt Janet was very special to me. I spent time at her house and she was so special to both my Mom and Dad. I always loved hearing stories about Mom's and Janet childhood. Prayers and thoughts are with everyone at this time. What a reunion in Heaven it must have been.  
Love Beverly

“ What a wonderful mother in law. She will be missed terribly by her children, in-laws, and grandchildren. She made me feel loved like I was her own for over 30 years now. Hard working and always caring for others and making her home welcome to family. She would often let me know she appreciated me taking good care of her daughter and grandchildren. They don't make em like her very often. Best cook in Georgia.

“ Some of the best memories of my life were Labor Day weekend family reunions. Always the best time ever! My favorite thing was the tiny biscuits with tomato's. What a wonderful Aunt.

“ To my cousins- We are all so sad that Janet is no longer with us. Your mama had such an incredible gift-she made each of us feel so special and so loved! She was so positive, caring, and I never heard her say an unkind word about anyone. And she was so proud of ALL y'all! Through your mom, I felt like I was in touch with all of you-she kept me up with who was doing what, and what all "the grands" were doing, too. You brought her such joy. Your mama ended all our phone calls with "I love you" and I'd say "I love you, too, Janet." I will miss her.  
May her memory be a blessing and bring you strength. My thoughts and prayers are with you. Love, Pam

“ I'm sorry for your loss! Mrs. Janet taught me how to swim, then I helped her when I got older! I'm the one that made the small cross stitch picture she has hanging on her wall!! I saw her last summer and she told me she still has it hanging there!! That made me feel so good!! I will be praying for y'all through this time!!
