“ To Smokey & Judy, I was so saddened to hear of your loss. I believe she was like a daughter to you and as you both know I know what it is like to loose a child no matter how old they are. My prayers are with you during this time. You will never forget them but it will get a little easier each day. I remember the times I would run into Smokey while he was at work and I was too. We talk about our families and then go on with our work. Judy you have always been a sweet lady to know. My prayres are with you during this time of loss. May God Bless you and Comfort you always. “ My heart is so broken and heavy right now, not so much for Janice, because I know where she is and she has not pain or worriers, but I am so sad for Cliff and his son's. I watched her and Cliff grow up through the years in high school and how much love they had for one another, I can't imagine the sorrow Cliff is feeling. This really hits home, she was so young. Praying for the entire family.

“ *Jesus placed this precious woman in my daughter's life for a brief period of time. What a true blessing that was for all of us. Janice treated her with kindness and loved her as if she was her own daughter. For the rest of my life I will be eternally grateful to this wonderful lady who was truly a blessing to everyone who she came in contact with. I am praying daily for your family.*

“ *To Smokie, Judy and the rest of the family. My love and prayers go out to all of you. I went to school with Janice but she was a little bit older than me so I didn't have the privilege to know her as well but I do know the rest of the family and I love you all so much. Find some comfort in knowing that we will all meet again in heaven. I know this is hard as I can relate. I lost my mother when she was the age of 40. I will keep you all in my prayers!
