“ I have had the pleasure of working with Jean-Luc on windows projects at my Church. He made an impression on me as being a man who kept his word and was always professional and honest in my dealings with him. God bless and prayers for the family as they deal with his passing.

“ Jean-Luc came to our home in Hartwell to install windows and porch rails. He was always professional in his work and first class in his ability to finish everything with high standards. It was a pleasure to see him at The Springs Church that he loved so dearly. He leaves an empty place in the hearts of the people there. He will be remembered with wonderful memories of his faith, love of family and the Lord and his good character.
