It is with heavy hearts that we announce the passing of, Jennifer Lynn Anglin (Crawford), age 50, on Friday, May 26, 2023 after a long hard fought battle with cancer. Born February 8, 1973, Jennifer was raised in Danielsville, GA. After graduating from Madison County High School, Jennifer continued her education at Gainesville College. She then completed her BSN, RN from Brenau University.

Jennifer was a beloved nurse. She was also an incredible mother, daughter, sister and friend to many. Jennifer's life was dedicated to helping others. She spent the majority of her career caring for patients and their families as a Registered Nurse at Northside Hospital Forsyth for a faithful 18 years. She served in many capacities including MedSurge, PRN Charge Nurse and PRN House Coordinator. In 2017, God opened the door to her true calling at Halcyon Hospice, now Heart of Hospice. Her natural gift of genuine loving care she gave her patients and families at end of life was a true blessing. She was a shining light and so very conscious of serving her patients with dignity, respect and true compassion in their time of need. Jennifer loved her Heart of Hospice work family and had a true love and passion for her work.

Jennifer was an amazing mother to her two daughters, Ashlynn and Annsley. She was their friend, counselor, teacher and confidant. She was so proud of them and always put their needs above all else. Her legacy will carry on through her daughters and generations to come. Her family truly meant the

world to her. In addition to being dedicated to serving others, she was devoted to caring for and loving her two dogs, Ellie and Koa. Jennifer was truly an amazing woman whose service, love, and dedication to others will never be forgotten. She will be deeply missed by all who knew her. We take comfort in knowing that she is at peace and in the arms of God.
