“ My deepest condolences to both Lance & Brandon. I met your Mama when I was "18". I remember the first time I ever saw her was at the lake. She was so beautiful!!! She was a tiny lil thing with the longest most beautiful naturally blonde hair & was brown as a berry in a white Ocean Pacific bikini. We instantly became friends.. We both loved fashion & the music of our day "the hair bands "!!! Like Poison, Guns n' Roses, Motley Crue we're our very faves. If Jen loved you she would go to the ends of the earth for you!!! I know God lead her back in my life this past summer for one last season with her. I twill always cherish those 3 months & hold her laughter close to my heart ❤️ I love you, boys & am here for you.. Sending love, hugs & prayers!! 🙏👍🦋
