“ I was a member of this amazing family for 28 years plus. She will be greatly missed. My life partner, Laura Lee Weaver, definitely got Joan's humor. And I loved that about both of them.

“ Well, where do I begin... so many memories! She was a big part of my life growing up. Mrs. Weaver, aka Mom, was always there for us (girls) no matter what. Practically living in her house as a 5th daughter she loved me as one of her own. Janet and I tested her patients often but no matter how mad she would get it always resulted in laughter and usually “Dammit Janet! “ She was a special lady. As I reflect on the past the stories are too many to mention that put a smile on my face. I will cherish them and keep them safe in my heart! Oh how I miss those days at Tybee and life at the Weaver’s house....

“ Joan will be greatly missed. She was a wonderful sister-in-law. Joan and Glenn's home on Tybee was always full of fun and love. Joan loved life and loved her family. Her laughter could light up a room. The world will be a little less bright without her.
