“ *Actually I am related to Joe. I think he is my third cousin. I grew up in New Franklin Christian Church and certainly remember him, his parents, and his sisters. Good people! My husband, Mike, bought hay from Joe and his wife when Mike had goats and a llama. Mike thought very highly of Joe. Our sympathy to Joe's family, especially his sister Lynn. She and I made an infamous trip when we were kids. We went to California and Oregon and we are known to this day as Thelma and Louise. Something to do with our visit to the Grand Canyon perhaps. Prayers for Joe's family. Teresa and Mike Shirley, Bowersville.*
