Great job in getting this together. I am so grateful for social media, so that I could share Joey's life with every posting, even though we were miles apart. Joey was a very sweet soul and I will continue to pray for all of the family, and their peace.

“ we laughed forever about my husband pulling his Firebird out of his best friend's (Greg) pond, after it was accidentally left in N and rolled backward into the water. Joe said "that water was cold, and he made me go in to attach the chain." He loved with a big heart. Sure will miss him. .
