“ I’m so sorry that we just heard of Judi’s passing last week. Judi set such a wonderful example of how to face pain and challenges. She was a delightful person- always had a smile to share! I will miss her. We will be praying for you Robert.

“ I was so sad to read about the passing of Judi. Judi and I both worked at San Joaquin General Hospital in French Camp, CA. We became friends in the early 90's, belonging to the same social group who played volleyball in the park every week. She was so much fun to be around, always laughing, and so energetic. Not only was she a great person, but an excellent Pharmacist. It saddens me that we lost contact after she moved to Georgia. My deepest condolences to her family.

“ I hired Judi from California to come work with us as a pharmacist at Athens Regional Medical Center. She had a wonderful sense of humor and burst out laughing when I asked her if she had ever been in the South much less Royston, Ga. She then informed me her brother lived in Atlanta. Judi was a special person with a servant’s heart. The world is a lot less brighter without her.
