“ *Cathryn, I am so sorry to hear of Katie's passing. I know you will miss her.
The kids in the neighborhood played together and she was one of us.
Katie always had a sweet spirit about her. She was always smiling and always knew me when our paths crossed. Katie will always have a special place in my heart. Rest in peace sweet lady.*

“ I grew up around Katie . She lived next door to my grandmother and I saw her every single day until I was in my teens . She would come over to visit me and my granny and we would talk and laugh for hours . Sometimes we would put some 45,s on the record player and dance. It was always fun when Katie was around. She was my extended family my whole life . Rest in peace my special friend . Earths loss is heavens gain !
