“ Kathy & Dennis & Families,
We are so sorry about your Mother. We enjoyed being with her on special occasions and she always was so happy and outgoing and made you feel like she had known you for ever. And knowing she was a Christian is also, one of her great qualities that shown through in everything she did. And she was a very good cook and you could tell she put a lot love and pride in her cooking. She will be missed. God Bless you all at this time and may he be with you all in the days to come.

“ *Kathy and family: I am sorry to hear about Katie's passing. I had visited with her every few years and spoke with her on the phone occasionally. I always enjoyed our conversation and hospitality when I visited. Katie's dedication to her family and to her faith were remarkable. I always found Katie to be positive and grateful, and she inspired me to exemplify those qualities in my own life. Please know that you are all in my thoughts and prayers.*

“ *Mrs. Katie, as we called her, was an example to so many people by the life she lived. She was always so concerned about people in the church, and in the community. She had a hunger to learn more about our precious Savior. She was such a hard worker in the church. We loved her and know that she is not lost. She is praising Jesus in Heaven.*

We all agree that she was the best cook in the area. She will be missed.

“ I first met Ms Katie at the bank where I worked for years. She would come into my office and we would talk. Then I left banking and still got to see her at church, Liberty Baptist , she always had the sweetest smile. I thought a lot of her and will miss this precious lady so much. 🙏

“ To be as old as she was ,Miss Kate, as I called her was such a worker. I wasn't supposed to tell that. I began cutting her gras a couple of years ago, and trim her shrubs. Id see dead grass pulled up and id ask her about it. She say, for me, not to tell her daughter. Truly Miss Kate was an angel. We would sit and talk for hours about church and old time ways and who was related to who. She Kew how to take care of her home and her family. Her family was her pride and joy. I k ow she will be truly missed. I know I already do. When I found out of her situation, I told her daughter to tell her I loved her, and so she did and that precious smile showed up, she said.
