“ I didn't meet Kayla until a couple years ago. She & I hit it off immediately! She was so sweet & so proud of her babies, always telling me the latest things they did! She was a great friend, like a daughter, and a beautiful person. We'll miss you so terribly much I can't put it into words. Missing you already baby! Rest In Peace! God has another angel 🙏 Fly high with those new wings! Nothing can stop you now!

To all the family, you are in my thoughts and prayers. Hugs to you all. I have no idea what it is to lose a daughter, nor a sister or a granddaughter. But to know she is in heaven with a new body and not suffering any more should be of some comfort. May God wrap his arms around you all and give you comfort. Cherish all the memories and share each one with her son and daughter. Love to you all

“ Kayla and I grew up together and made so many sweet memories through the years. We had sleep overs, dress up fashion shows, and handwriting competitions. We rode go carts, did cartwheels, watched movies, and sang in church together. We went to church camp in the summers, ate lots of Wednesday night meals together, and laughed until we cried. Although we lost contact for a while, we reconnected over the past couple of years. She was smart and caring, and I will forever cherish the friendship we had. Kayla was so special and incredibly loved. Wayne, Deanna, Tanya, and Ms. Mamie, I am so sorry for your loss.
