“ I am so saddened today to hear of Chubs passing! I remember back when we were in high school, Chub and I were buds! He drove a Pinto. I remember on one occasion we went to the Jockey Lot - I remember him driving fast - two friends loving life and not a care in the world. I will forever remember Chub as the sweetest guy and a great friend! I live in Seattle so I can't come and pay my respects but please know that I am thinking of Chub and the family and praying for peace and comfort.
