“Kelsey was my best friend. She was always there for me and I for her. I miss her so much. Before she moved to another county I told her to care for herself and to call me every day so we can stay in touch. I never imagined that she would die. We talked on the phone the day before she disappeared. We were texting but she just stopped. I didn't think much of it because I was simply thinking that she was busy or she got stuck with doing something. I cried so much. I love her and I miss her and I just really want to know how it is she died. I pray for her everyday and I still do.

“ Kelsey was a very sweet girl. I knew her for a very long time, I didn't have any classes with Kelsey, but whenever we would see each other in the hallways we would hug each other. Kelsey and I would have personal conversations about our lifes and we would talk about why we think life goes the way it does. It's so sad how she passed away and it hurts me to see and hear what she had to go through. But she will be dearly missed. I love you Kelsey LeAnn Clark!!
