“ God saw you getting tired and a cure was not to be,so he put his arms around you and whispered "Come to me". With tearful eyes we watched you pass away and although we love you dearly, we couldn't make you stay. A golden heart stopped beating,hard working hands at rest. God broke our hearts to prove he only takes the best. I love you papa.

“ Kenny I think I've know you my whole life. I know that I loved you you were an awesome uncle to my brothers and my sister I know that you were an awesome person. I know you will surely be missed and I know that you will forever be loved. So you fly high up there with all the rest of them that has gone on before you and just give a special shout-out to my daddy. Rest in peace I know that you and Caralee are together again.
