“ I have known Brian for several years playing clash of clans with him. We became friends on Facebook and Messaging. Brian was a great guy warm hearted and always a giving person. During the Hurricane he offered to come to his house which I wasn't expecting. Just shows how caring he is . I will miss him a lot and especially his jokes. We always had a good time playing on line games and he always made us laugh. Brian, hope to see you soon in heaven.

“ I worked with Brian in Kennesaw, Ga. His kind and sweet personality will be greatly missed by all his fellow drivers and staff coworkers. I always joked with him about being a Ga Bulldogs fan, told him I would bring him a winners cap from Alabama. He was one of the good guys and he will be missed. My heart goes out to his family, may God bring peace to your heart and comfort during your grief.
