Wow I'm completely heartbroken 💔! Kevin we started Kindergarten together the very beginning of a lifelong friendship in which we'd recently reconnected and talked to each through text messages and on Tik Tok lol. Actually Tic Tok gets credit for rejoining lifelong friends lol. Kevin I was so proud of you and your accomplishments. We shared pics of our kids and grandkids and recanted memories of us growing up as kids. We shared the losses of family and friends. He was so proud of his boys and his grandson well he was the heartbeat in Kevin's chest. I'm so blessed to have been able to grow up and build a friendship like that with such an awesome guy. We called each other by our last names Stowe & Roach and we'd each say take it easy Roach or take it easy Stowe. I'm praying for the family and I pray for Peace and Comfort. Take it easy Roach until we meet again! Love ya M. Stowe

“ Kevin was not only a great Dad to his 2 sons, but a true man to many of the boys he helped coach, in Franklin County Little League sports. My grandson was coached by Kevin in many football leagues. He worked with him, as a great friend would, during many seasons. He not only taught him skills of football, but also taught him how to love the game itself. He taught him about good sportsmanship and how to hold his head up high after a losing game. I believe that, Kevin Roach was a huge impact in my grandson's life. An impact that I will never forget. I will be praying for Michelle, Eli and Sam along with Kenneth and Mary Roach. Love and hugs throughout the coming weeks. ❤️

“ Kevin's love for duck hunting is what brought us together years ago. We met in the 2nd creek bottoms in Eastern Arkansas. Thought I was just helping a fellow sportsman out, had no idea at the time that he would turn out to be the dear friend he has been to me over the years. I'm so glad the Lord sent him my way. Will miss him dearly. Sam and Eli know that I continue to pray for peace for y'all and healing during this difficult time. Hope we can celebrate his life in the blind soon! Jim
