“ LC was a good, kind & honest man,my thoughts and prayers go out to Francis and his children-Speedy and his family were good neighbors to my family in 1975-in 1977 I was working at Jack Davis's yarn mill in Ila- Speedy was working there as a second job - I learned so much from him about mechanical and electrical repair he was a great teacher-his teaching I still remember and use today.My prayers are for his family.

“ L C was a good friend and a true gentleman. I think back to the many times he would bring Christopher to my house to go fishing. He wanted to make sure he was set on the right path. He always had time to talk to you and help you any way he could. We will miss him terribly, but i am comforted to know he is with the lord. RIP my friend.

“ There are no words to share that will ease the pain you are feeling, no preparation could have prepared you for this type of loss. God's love is neverending just like Mr. Browns was for each of you. We can only be thankful that we will see him again someday and there will be no more pain. So sorry for your loss. I thought a lot of Mr. Brown and enjoyed the time we worked together. He was a precious man and will be missed by so many. Sending each of you my thoughts, love and prayers during this time and the days ahead.
