“ My prayers go out for the family of Mr. Bradshaw! I know he will be deeply missed. I know I had seen him at many of his son's shows when he was wrestling & he always seemed like a pretty nice guy as well as the rest of his family. I'm sorry I haven't kept in touch with any of them much since everyone has gone their separate ways in life but I do pray that you all find peace & comfort in the days to come. I personally know that its a tough road losing a loved one but always remember he is always there with you in spirit no matter what & he's always looking down over you all.
