“ Hi. I am sorry for the family and their loss. But I'm hoping for one silver lining. I believe that my grandfather, Harold Brawner, also I believe is the son of William Lester Brawner and Lottie, but was trying to see how the connection isnt mentioned. He was born 3.6.43 lived in Texas until he became a marine , moved to California , married my grandmother had two kids and four grandkids, and passed away Murrieta CA on 10.9.2009 and is buried at Riverside veterans cemetery. If anyone has information about my family or if there is or isn't any connection would be amazing. There are some black holes when it comes to learning about my grandpa's past. He didn't go by Harold, but by HD. My email is: Ner3993@gmail.com thank you in advance
