“ Linda, I hope you know how much I miss you and all the late at night long phone calls we shared. I still read the cards you and Stanley sent me over the years and laugh out loud at some of your notes. Love you, Connie

“ Our hearts cry for Christie and Brittany and their families. Your loss can not be expressed in words. Linda was a wonderful friend. We had many fun filled times together which almost always included dancing. I will always remember her beautiful smile and playfulness. She and Stanley are now dancing together again. We lost a friend but GOD gained an ANGEL.

I always will remember the Lincoln Town car and riding around trick or treating, going to see what we all got on Christmas morning, and fireworks on Christmas Eve. You sure light up a room with your smile when you walked in.
