“ I use to see her at the bank. She told me that she was stopped for doing 70 in a 45 mph zone , she only went that fast on a strait away. She said she told the officer, your not going to give an old lady a ticket. He didn't. I loved to hear her stories and she loved my candy kisses. She was a beautiful person and we've lost a one of a kind. One couldn't help but love her. Shirley Macomson
