“ *I'm sorry that I am just now sending my condolences. A bunch of us would ride to school together most mornings and we always stopped at the small store in the corner of the road we would take to get to the high school. Mack was so cute and funny. He kept us all laughing and smiling all the way to school. I'm saddened that he has left this earth so early in life. You were a joy to be around Mack. You will be missed.*

“ My heart was saddened when I read about Mack’s passing. So many wonderful memories began flooding my heart. Mack and I were best buddies years ago when he was 12 or so. We fished, hunted, hung out at Milton and Helen Ginn’s house having bible studies with Wesley Harris, Doug Kennedy, Jim Burch, Jennifer Moon, Dennis Bullock, Carla Spray and so many more from Royston Baptist. Mack will always hold a special place in my heart. Praying for you Ruby, Jan and Wayne. May God comfort you with many fond memories.

“ John 11:23-27

23 Jesus said to her, “Your brother will rise again.”

24 Martha said to Him, “I know that he will rise again in the resurrection at the last day.”

25 Jesus said to her, “I am the resurrection and the life. He who believes in Me, though he may die, he shall live. 26 And whoever lives and believes in Me shall never die. Do you believe this?”

27 She said to Him, “Yes, Lord, I believe that You are the Christ, the Son of God, who is to come into the world.”

Because of this we will see Mack again.

“ So very sad to hear the news.... We've all lost a fine friend far too soon! Mack was one of the best vintners I knew - and was generous with his gifts from the vine. I'm so thankful to have known him, dined with him, gardened with him, bottled with him, shot targets with him, talked trash with him, laughed with him, and been the recipient of numerous uplifting text messages from him. My deepest sympathy goes out to his family. I grieve with you!

“ Mack had to be the funniest person that I have ever known. He was a jack of all trades and a master of a few. I worked with him for 15 years at Fibervisions and will always think of him as a wonderful friend. I miss seeing photos of his castle in the making and hearing about all of his tall tales. He made the best deer meat in a jar and the worst frog legs in a crock-pot. I will miss you MBr!
