I got to know Malese through her sister, Dolores, who was in my class at Athens High school and with whom I graduated. Of course, we all went our separate ways after graduation and just recently reunited on Facebook. I considered Malese and Dolores friends as well as classmates and was happy to hear they had wonderful families and were doing well. I was saddened to hear that Malese had died and wish her family to know they are in my thoughts and prayers. In sympathy,
