“ Mark, I will always miss you and keep you in my heart, we have always been there for eachother, without you I may not be here now. You told me near the end it will be OK and somehow now it's hard to see, but I will always Honor your life by living mine life with honor. I will miss you more than you know but will see you when I'm done here. I may be the oldest brother but you gave me a yard stick by God's yardstick to help me aspire to. I love you Brother, rest in peace and will keep talking yo you. With love your brother, Todd.

Here's to the man that gave me my career and helped build me into the man I am today. I truly would not be who I am today if it was not for you boss. May God rest your soul and ease the pain of your loved ones.
