“ Dear Berryman Family,
It is always a sad moment when we lose a wife, mom, sister or a friend to an illness that causes her to become a person that we haven't known in the last years of her life. Although, just as she has walked into her room as a teen to change clothes, she has again dropped the clothes she wore for the last time to the floor for a new set and is now adorned in a new set that is more appropriate for the occasion, as she is now sitting with her maker!
As much as everyone will always miss her here on earthly soil, she is healed and pain free. Running and smiling down as each of us will do one day soon.
Be blessed by her home going and find strength in each other through these difficult days.
I have been honored to know Tony through the years. I am sorry I did not know of Mrs Marth's'a home going sooner.

“ Gwinette I have been thinking about you and Martha a lot lately. I am Esther Dean's daughter from the Harrison community. You used to come by and take my sister Brenda and me to Mill Shoals Baptist church. I just want you to know what a Godly inspiration you were in my young life. I am sorry to hear about Martha's death, but we know that she is with our Heavenly Father now. No more pain or suffering. Much love from a friend from long ago, who will never forget you and Martha.

“ Gwinnett & family

I am not sure if you remember me, but I work for Universal Storage Group, formerly Universal Management, and knew you and Martha when you worked at USA. She was the sweetest person; and so are you! I remember you both well and I am so sorry to hear of Ms. Martha's passing. Please know that my thoughts and prayers are with you and your family. I know that Martha already has her wings and is God's favorite angel!
