“ Always a smile, always a hug and greeting... Anyone and everyone that had the great fortune to see or meet her.... will miss her. To the family: you were the luckiest of all, to have her ... I am so sorry for the hurt an pain you are going through, but you will see her again one day, and she will greet you with one of her big smiles and hugs! God bless you all until you see her again.

“ I had the pleasure of taking care of Mrs. Hanley during her stay at the hospital. We did our best to take care of her, keep her company, and make sure she felt loved. Although she wasn't able to see her family in person, I know she was very happy to have been able to video chat with them. My prayers go out to her family during this time. Thank you for letting us take care of her.

Mary was such a good friend to know! She always had a fun spirit and good sense of humor. She gave so many good recipes to me and I never forget her every time I've used them. The chocolate éclair is a family favorite thanks to her kindness when my oldest daughter was born. You will be missed dear friend 💕💕
