“I am truly sorry for your loss. Melody was one of the most compassionate ladies I've ever known. It was always a joy reading her post on facebook, you really never knew what to expect from her. It was either something funny or she was posting something religious. The one thing we can find peace in is knowing she is in the presence of the Most High - Jesus. She is going to be missed by so many people, especially her family. You are in my prayers as you go through this extremely difficult time. God bless you all. Alice Harper

“ I am heartbroken over the loss of dear Melody. I have known her for the past 13 years as an "online" friend. Truly one of the sweetest gals ive ever had the pleasure of knowing. She was always there to lend an ear and a prayer for me, my husband, or any of our 11 children. To the family, take comfort in knowing she is resting in the presence of the Lord. Mel will always be with us, as loving as ever.
