“ I've known Melody and Libby for a mighty long time through Ms. Martha and my aunt Louise, actually the whole family. I remember when Aleah was born. Aleah my heart goes out to you babygirl. You have your mom's personality and that's a great thing. Melody met no stranger and you're the same way. You will always be her baby. The road is gonna be rough but always know God got you and he will carry you. God bless you all and know that I love you ❤️🙏❤️

“ I went to school with Melody in Junior and High school. She was always kind and if I needed something in school she would share and left many memories. I valued our laughter and fun of being friends. I'm saddened for you all and will be praying for the comfort of the broken hearted.

“ Aleah, Libby, Diana, Cory, Casey and to the rest of the family Im so sorry for your loss. 😞. I worked with Melody and Libby at Leatherwood Fish Lodge, I was a bus girl while they were waitresses. When Melody had to leave early on a Friday or Saturday, she would ask me to sweep her side, and she paid me for doing that. Melody was a nice lady, and will be greatly missed. I know oh so well what yall are going through. I lost my mom back in Aug. Of 2019. It gets harder not any easier when their Birthdays or Holidays Come Around. At least Melodys not suffering anymore and has a whole new body. She is reunited with Roger and Martha. They opened up their arms and welcomed her home. Prayers going out to you all. 💕🙏💕
