“ I am so sorry to hear of Mike's passing! Mike worked for me in the Respiratory Therapy depart.\ Cobb Memorial Hospital in Royston, Ga. as a 17 year old high school student! He was always so much fun to work with and so eager to learn! I have thought of him many times over the years and wondered where he was! I'm so glad to learn he continued in his chosen profession and so proud of his achievements! Go rest high on that mountain, Mike! Sorry we didn't keep in touch!
