“ *Michael,
Just found out today that you had passed away back on Easter Sunday. I had been texting you with different things I needed. I thought you were just busy or maybe you just didn't have what I was looking for. I've known you since you were just a kid, probably over 40 years, especially since your Dad and I worked together back at Wrenn Brothers in Forest Park in the early 80's. Gonna miss you Buddy! Love You Son! James Young @ Walton Industrial Supply.*
