So sad to hear about Ms. Mildred. Always so sweet and kind. Mom thought the world of her and, of course, your whole family. She and O'Neal have always been so good at checking on Mom and Dad (before he passed). I appreciate her friendship to our family. Love you all.

“ Mildred always had a smile to give along with giving of herself to her family & friends. When Leon & I married and I joined him in Seattle, one of the first persons I received a card from was Mildred. She had so much love and she shared it!!
