“ Well it's that time again, Sydney graduated high school, I'm so proud of her!!! I'm proud mom of 3 high school graduates, can u believe that??!! I musta did something right lol. Still no grandkids yet but Ana is working on it lol she has finally reached a place in life that she feels she is ready to be a mom! I can't wait!! Can u imagine me being called granny lol.

I think about u so much and I miss u so very much! It has been real hard without u in my life! I constantly wanna go see u or call u and knowing I can't tears me apart!! But I know u are watching over me and the kids and the family that's left.

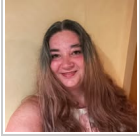

Alex just turned 2 and in Dec William will be 4 they are getting soooo big mama, Alex is bigger than William weight wise but William is so tall for his age! And SMART!! o lordy let me tell u!!! I haven't got to spend much time with them lately cuz of my surgery and I miss them but I will see them sat for Alex birthday party! Patrick has a new baby aswell, her name is Spencer! She is a red headed beauty lol! And holland is a blonde babydoll! I don't really get to see them much but I love them a lot!

I'm 6 weeks post op, it has been one hell of a journey! Dr says it will take about 6-9 months for swelling to disappear and thinks start to look normal again! I'm just ready for the pain to go away! Aiden has been a blessing, waiting on me hand and foot, making sure I got what I need. He has been a real life saver past few weeks. Sydney has been driving me to the drs appts and grocery store. Such a blessing my are!!

Going on vacation soon with Ana and Sydney! This is going to be fun! We plan on visiting ripleys believe or not in Gatlinburg TN then head to the beach! Hopefully it's a cooler day but no rain, I wanna ride the roller coaster at ripleys.

“ Sooo guess what??? Aiden graduated!!! We are all so happy and proud of him! You would be so impressed how much he has grown in life! Because of this stupid coronavirus we are not allowed to have a graduation ceremony right now, but hopefully we can in the future. We already have his cap and gown and diploma so we are ready!! I'll be honest I didn't know if he would make it this last year but mama he done me proud!!

So much going on lately. It's kinda scary! I wish I had you to talk to in person, but at the same time I am glad you are not here to suffer through this! So many lives lost! All we can do is social distance and pray!!!

Amanda is going to have another baby boy soon and Patrick and his wife just had A baby girl! So I suppose there is a silver lining. Nani and Jared just got approved for their first home, they move in in August! I am so proud of them mama. Both got great jobs, a vehicle, and now a home.... hopefully soon I will have a grand baby but I tell them not to rush, they are going on order and doing so well! Sydney is still in her teen phase, I wish things were easier between us but only time will tell. She is happy tho, which in turn makes me happy! I am so blessed Mama and I thank you for being my Mama! I'll chat soon, I love you Mama

“ Hey mama I know it's been awhile since I have posted anything on here but rest assured u r in my heart and thoughts EVERYDAY!!! Sooo Sept. 24 Ana and Jared got married. We had it at the pavilion in danielsville and it was beautiful. U would have loved it!! 🥂🌹 And Dec. 29 Amanda gave birth to ur great grandson William Joseph he was 7.7 lbs and 20 in long and mama he is gorgeous. I wish u could be here for all of this! Sometimes I feel selfish moving on without u, but I also know it's what I have to do. I just miss u more than I can put into words. I was recently hospitalized with abnormal bloodwork and stress test so I had to have a heart cath done, no blockages so that's good but now I have to see a cardiologist (I lost u so young due to heart failure) I pray my kids don't lose me too! Terri and Jay also having major medical issues but I can't go into detail without their consent, but I'm sure u already know. U r our mom and will forever watch over us!! 🤔 we just barely got thru Christmas and New Years well I cried weeks before now... holidays r extra hard without u!! And I have been so sick that all I wanted to do was crawl in ur lap and cry while u stroke my head and tell me it's gonna be ok. I can't tell u how many times I have gotten up and went to bubbas room wanting to do the same but stop myself. I'm weak but I don't wanna be!! U r my world mama!!! Here or heaven u will always be my best friend, healer, motivater and mommy! It's been tough going with aiden and syd, I could use ur advice rn!! I hear the advice I'm getting now but most of it I don't agree with so idk what to do! I love u soooo much mommy, and miss u very much! I'll be back soon to chat, it's late and I need rest... ttys mommy gnight I love u!!

“ So your grand daughter Sammie graduated on the 18th. You would be so proud of her! She is as strong willed and strong minded also as stubborn as you! She doesn't know defeat cuz she never gives up and I think she got that from you Mama!!! You are our hero cuz you never gave up you fought the good fight in every aspect of life! So be overjoyed your grand daughter took a page out of your lesson book!! Cuz I know she made me a very proud Mama!!! Joseph is going into the 11th grade!! I am so proud of him and you would be too!! He has come a long way from the kid he was to the young man he is today!! He has your heart, he loves unconditionally and fully! He is respectful and helps me a lot!! I know he took a page from your lesson book as well to become a kind, loving human being! And Sydney, where do I begin? She is entering high school, has a better social life than me lmao and I know she got that from you!! You loved to talk and have friends and check on everyone!! You loved to go places and enjoy what you could when you could! She is scrawny and preppy but don't take no crap from anyone that is a page she got from your lesson book! She can girly but careful of her right hook lol. She is fierce like you Mama!!! I wish you were here to see them now, I know you would be happy! We all miss you like crazy and still want to call you and visit and it's hard but you made us strong! I love you Mama forever n always.

“ Miss u Marmee, I thank god for the 43 years god give me with you and the closeness we had and the talks before you passed. My greatest memory that I have is u walking over to me as I sat In Ur recliner and you telling me how much you loved me and putting ur turtle ring on my finger and kissing it.... and we laughed because Lisa and I had to pull you up off the floor.. days u were sick and I was taking care of you and you looked and smiled and said Sissy u know our roles have reversed ur the mama and I'm the baby!!!! And I said yep and I kissed you and tucked you in and later went home.... I'm happy for you now that ur finally free and home again with ur mama but remember to keep me a spot right next to you and when my time on earth is through I'll see you again!!! I love you to the moon and back! Forever your Babelaid.....sweet dreams
