“ My most special memory of Norma is how she quietly ministered to our family during some of the saddest times of our lives. She was always nearby and taking care of everyone as the needs arose, usually in the kitchen where she felt most at home. I will always remember her great love of cooking and all the left-overs she would send down to our house. Best food ever! She was a special person who loved her Lord, her family, friends, and community. She was the source of strength and encouragement, a great friend and neighbor. She will be greatly missed by all who knew and loved her. We will meet again one day and have the best reunion ever!! May God bless you, James, Sandra, Gerald, Wanda and give you comfort as only He can! We love you.
