“ Patric I don't even know we're to start but you have always been there for me and always made me laugh and we had plans to go to the races together but I guess you will be at every race with me now watching over us!! You may not be here personally but you are always going to be here mentally!! You always manage to put a smile on everyone's face and managed to keep us laughing!! You were a small town boy that everyone loved and still loves. It seems like a nightmare that everyone wants to wake up and it be alright and we all be back to our normal lives but heaven was needing yoh more than we was and the good lord above brought you home so he can have your help with everything he needs done!! We all love and miss you so much Patric Cain!!

Patric, it's hard to explain what a precious soul you were to so many people. You had biggest heart, caring & always so compassionate. Grandmama Lecoq loved her Patric & sang your praises to everyone. I always prayed for you ...I love you, Betty
