“ Dan, Anna along with other Family and Friends,
My sincere sympathy in this time of reflection
and grief. To me Patti was “the new kid on the
block” at Tenneco. We laughed at the fact I was
working there a year before she was born. She
came with a strong desire to work hard, be
honest and provide for her family. Patti would tell the truth even if it
was not in her best interest.
Dan shared those same characteristics. She was so proud of you
Anna in that band uniform. Have not seen you guys in over twenty
years but Thank You for being good Friends. Keep your Trust in
God as Patti did.
May you be Blessed in Every Way.
