“ I met Paul, believe it or not, not through his special precious Stephanie, but through being a grant writer- he called years ago, needing a consult. Little did we know that through a few months, my special son and his Stephanie would be involved with CSP- and we were amazed, as it is a small world! After getting to know Paul and his Sandy, and Stephanie, I have been amazed how much he loved his family and his Lord, especially through his church work and teachings. Just last night at the hospital I found out that he and Sandy met at church, and she was pretty young, too, when they married~ I am always thrilled when I see a true Christian man that walks the walk, while he talks the truth, and also does the best for his family that he can. Seeing that he was ready and excited to meet his Lord, and go onto Heaven, I know he was ready- but not the family left behind- I pray that God Comforts you and holds you tightly right now, and that you sense and know that He is present in your every second of your day! HUGS & Prayers for all the family, my friend, Sandy n all his beautiful children and grandchildren he was so so proud of!
