“ I had a lot of good memories with Peggy and Larry and they treated me like part of their family. I love Peggy as a second mama! They were good people and worked hard and were good to their family and friends. My fondest memory was when they took me and their daughter to the mountains with them and we had a wonderful time. Prayers for peace that passes all understanding for the family. I love and appreciate you all and if there is anything I can do please don't hesitate to call.

“ I am so saddened to hear of Peggy’s passing. She and I had many laughs together. She always asked about my family, especially my sister Peggy. They thought the world of each other. Your mother was dedicated to being a wonderful mother , grandmother and great grandmother to all of you. She loved all of you unconditionally. My sympathy and prayers are with all of you. Praying God will surround you with His Mercy, Undying Love, and Grace now and in the following days ahead.
