“ *My sweet Rita. I have always adored you. Being my moma's bestfriend ended up being a gift in my life. You were there for me so many times. And I wouldn't trade those times for anything. My heart breaks for all your babies. You were an amazing mom. I'll always love you. The world just doesn't seem right without you. But what puts my heart at ease is knowing your going to make the mist amazing Angel up there. Until I see you again you will never leave my heart.*
